Leading the Terroir Revolution!

- Azaline is an Ultra-Premium Vermouth hand-crafted in small batches in Dijon, Burgundy, France.
- Azaline Vermouth is made from the classic Burgundy pinot noir grape. The pinot noir grape has been cultivated in Burgundy since Roman times, creating some of the most highly prized wines in the world. The young pinot noir grapes used in Azaline Vermouth are packed with ripe, red summer fruits.

- Azaline Vermouth is an exquisite blend of 10 herbs & spices from all along the ancient Silk Road. The main spice used for Azaline is the Red Saffron. Worth more in weight than gold, saffron was the true treasure of the Silk Road. An exotic, aromatic flavor, with the ability to enhance other flavors.
